

# Advanced Delegation and Empowerment

التفويض المتقدم والتمكين

14 – 18 December 2026, Barcelona / Spain

## Introduction

Effective delegation and empowerment are essential leadership skills that drive productivity, accountability, and team development. This advanced training course equips professionals with the tools and techniques to delegate tasks strategically while empowering team members to take ownership and perform at their best. Participants will learn how to align responsibilities with capabilities, build trust, and create a culture of autonomy and high performance. Through practical insights and real-world applications, the course enhances leadership effectiveness, improves team engagement, and ensures optimal utilization of organizational resources.

## Objectives

- Strengthen strategic delegation skills for improved efficiency
- Enhance the ability to empower and motivate team members
- Improve task allocation based on skills and competencies
- Build trust and accountability within teams
- Develop effective monitoring and feedback techniques
- Foster a culture of ownership and continuous performance improvement

## Who Should Attend?

- Senior and mid-level managers
- Team leaders and supervisors
- Project managers
- HR and organizational development professionals
- Professionals responsible for team performance and leadership
